CHANTICLEER INT'L BOOK AWARDS LEVELS OF ACHIEVEMENT

One Overall Grand Prize winner will be chosen from among the Grand Prize winners. The winning book will be crowned Best Book of the Year by CIBA and awarded \$1000 cash!

Each Division has five to six 1st Place winners who will compete for the Grand Prize in their Division.

Books that reach the Semi-Finalist have been thoroughly read by another group of judges. These are the books we love and want to give extra recognition to, but only a handful will go on to the next stage and win the Best Book in their category.

If your book makes it to the Long List, Congratulations! These are the books that show promise, that intrigue us, that we want to spend more time getting to know. These are the Slush Pile Survivors!

Books reaching 1st Place have made it through very tough competition and won against some great books. These are novels with that extra spark of excellence.

Each of the Divisions' Semi-Finalist will be read and judged a final time to see which book makes the cut to stand above the rest as a Finalist.

These are the books that pass the first two rounds of judging and have been read through at least one time. We choose the books that have great characters and fascinating plots. We love these books enough to put them on the Short List.

Your work will undergo the toughest scrutiny by our CIBA Slush Pile Readers. Each reader will vote Yes or No on whether or not your work survives to move on to the Long List.

26 Grand Prize Winners!
